the Carrier establishes that the loss or damage could be attributed to one or more of the causes or events specified in Clause 3.3 other than (vi), (vii), (viii), (ix), (x) or (xv), it shall be presumed that it was so caused. The Merchant shall, however, be entitled to prove that the loss or damage was not, in fact, caused either wholly or partly by one or more of these causes or events.

3.5 If the Carrier is requested by the Merchant to procure carriage by an inland carrier beyond the Place of Delivery (or the Port of Discharge if no Place of Delivery is named) such carriage shall be procured by the Carrier as agent only to the Merchant and the Carrier shall have no liability whatsoever for such carriage or the acts or omissions of such inland carrier.

3.6 Where this Bill is issued as a Sea Waybill, this Bill shall have effect subject to the CMI Uniform Rules for Sea Waybills which are deemed to be incorporated herein; provided, however that if any provisions of such Rules are inconsistent with those of this Bill, the latter shall prevail.

4. Limitation of Liability

4.1 Nothing in this Bill shall operate to limit or deprive the Carrier of any statutory protection or exemption or limitation of liability authorized by any applicable laws, statutes or regulations of any country.

4.2 It is agreed by the Merchant that the Carrier qualifies and shall be regarded as a person entitled to limit liability under any applicable convention for the Limitation of Liability for Maritime Claims notwithstanding that the Carrier may have secured space on board the relevant vessel by means of a slot charter, bill of lading, waybill or other contract of carriage. Subject to any law compulsorily applicable to the Carriage to the contrary, and save to that extent, the fund to which the Carrier may limit its liability in respect of all claims arising out of an incident shall be that part or proportion of the limitation fund applicable to the actual carrier that is available for the Carrier's claims against the actual carrier.

4.3 If the Hague Rules are applicable by national law, the liability of the Carrier shall in no event exceed the limit provided in the applicable national law. If the Hague Rules are applicable otherwise than by national law, the Carrier shall in no event exceed 100 pounds sterling per package or unit.

In that case, the amount of the declared value shall be substituted for the limits laid down in this Bill. Any partial loss or damage shall be adjusted pro rata based on such declared value.

5. Sub-Contracting

5.1 The Carrier shall be entitled to subcontract the whole or any part of the Carriage on any terms whatsoever, including liberty to further sub-contract.

5.2 The Merchant undertakes that no claim or allegation shall be made against any Person who performs or undertakes the Carriage (including all Sub Contractors) other than the Carrier, which imposes or attempts to impose upon such Person, or any vessel owned by such Person, any liability whatsoever in connection with the Goods or the Carriage, whether or not arising out of negligence on the part of such Person and, if any such claim or allegation should nevertheless be made, to indemnify the Carrier against all consequences thereof.

5.3 Without prejudice to Clause 5.2 such Person (including any Subcontractor) shall have the benefit of every right, exemption from liability, defence and immunity of whatsoever nature applicable to the Carrier or to which the Carrier is entitled herein including but not limited to the right to enforce Clause 25 hereof, as if such provisions were expressly for his benefit. 6.2 The Merchant acknowledges and accepts the stipulations concerning currency in which the Freight is to be paid, rate of exchange, devaluation and other contingencies relative to Freight in the applicable Tariff(s).

6.3 Freight has been calculated based on particulars furnished by or on behalf of the Merchant. If such particulars are incorrect, it is agreed that a sum equal to double the correct Freight less the Freight charged shall be payable as liquidated damages to the Carrier, provided that the Carrier's Tariff(s) does not stipulate otherwise. The Merchant shall indemnify the Carrier for all penalties and legal fees resulting from such incorrect particulars being furnished.

6.4 All Freight shall be paid to the Carrier by the Merchant in cash without any set-off, counter-claim, deduction or pardon either at or prior to the time agreed for payment or at the latest before delivery of the Goods.

6.5 The Merchant shall be liable to the Carrier for the payment of all Freight and/or expenses including but not limited to court costs, legal fees and expenses incurred in collecting monies due to the Carrier. Payment of the Freight to a freight forwarder, broker or anyone other than the Carrier or its authorized agent shall not be deemed payment to the Carrier and shall be made at the Merchant's sole risk.

The Merchant also warrants that the Goods are lawful goods and contain no contraband, drugs or other illegal substances or stowaways, and that the Goods are adequately packed and prepared for shipment, and will not cause loss, damage, or expenses to the Carrier, the Vessel, or to any other cargo during the Carriage.

8.4 If any particulars of any Letter of Credit and/or Import Licence and/or Sale Contract and/or Invoice or Order Number and/or details of any contract to which the Carrier is not a party are shown on the face of this Bill, and/or if any particulars are inserted in the "Export Reference" and "Final Destination" boxes, such particulars are included solely at the request of the Merchant for his convenience and reference only. - (b) the Merchant warrants that the stowage of the Goods in Container(s) and their closing and sealing are safe and proper and that the Goods and the Container(s) are suitable for Carriage in accordance with the terms hereof including Clause 14 and the Carrier's Tariff(s).
